I will create an online course on any topic! Complex of services - educational business!

To Educational Institutions

Greetings!

Extensive experience in the development of online courses in the interests of educational institutions and institution of additional professional education. I work with universities, institutes, colleges and institution of additional professional education. Accordingly, I have extensive experience in developing online courses for higher and secondary vocational education, advanced training and professional retraining.

I offer you the following (ready to develop more than 400 topics for online courses):

1. Development of content for an online course (courses), (text lectures; interactive slides, including SCORM standards; photos; videos; tests, practical assignments, quests, etc.). It can be one course or a whole training complex, a series of courses.
2. Installation, configuration and / or content of the distance learning system (Moodle LMS or LearnDash LMS, other platforms). No subscription fees and tariffs.
3. Comprehensive development of a website for sales.
4. Logo and branding.
5. I develop sets of educational programs in accordance with the requirements of the legislation, educational and professional standards.

To form an offer (prices and terms), I need information:

1. What is the topic of the future online course (s)?
2. Who will be the target audience for this course (s)?
3. Technical information on the course (s) - goals and objectives, required level?
4. Desired volume of the course (courses), (in hours, minutes, A4 pages, etc.) (approximately)?
5. What format of the course (s) would you like to receive?
6. Webinars?
7. Need to create a website and integrate (customize, fill) a distance learning system (Moodle LMS or LearnDash LMS, other platforms)?
8. Any other additional services (logo design, documentation, etc.).

Based on the amount of work to be done, after providing the answers, I will be able to calculate the price and determine the time frame. Please write the answers to the above questions - aldem@coursemaker.icu. Working languages - Russian, English. There is a possibility of development in other languages.
